Who We Are

For over 26 years, Options has been a national leader in providing customer-oriented, community integrated services to people of all ages with disabilities.

What We Do

Our more than 300 employees provide the highest quality of services to our customers. These customized services are geared towards individuals with a variety of disabilities. Our services are in the areas of Community Living, Continuing Education, Employment and Housing.

Where We Serve

Options provides individualized support for independent living for more than 200 adults and children in 7 counties. Services are provided in individual homes or group homes by trained and knowledgeable Options staff.

Did You Know

- Nationally, 66% of people with disabilities who want to work are not working.
- 45% of mothers with an infant with a disability cannot return to work due to lack of child care.
- Families with children who have disabilities have higher divorce rates, lower incomes and higher incidence of emotional difficulties.
- We work to change these national trends locally. There are 14,745 people with disabilities living in Monroe County alone.

Nine out of every ten dollars donated to Options goes directly to services.
